Adjournment of meeting —		
Standing Orders do not provide when a sitting should terminate on a particular day and so President may conclude day's sitting at any time..	XXXV	1066
Adjournment motions—		
Mover of — has no right of reply	,,	1265
— should relate to a matter of urgent public importance — that the budget has been passed and the expenditure is likely to be incurred is a sufficient ground to constitute urgency	,,	1029
— must not revive discussion on a matter which has been discussed in the same session. Mere references previously made to the subject matter, e.g., in questions and answers or a general discussion on it during the general discussion on the budget does not preclude an adjournment motion being made on the matter.	,,	1029
Adjournment motions are not intended only for raising discussion but may also culminate in a vote	,,	1021
Amendment(s)—		
— must be relevant to the motion. On a motion for revision of pay, amendment relating to batta and allowance is not in order.	,,	57
Amendments to an adjournment motion are not allowed	XXXIII	141
Bills—		
Introduction of—		
Standing Orders as at present do not make it compulsory to publish before introduction but under S.O. 79, President fixes a date for the introduction, before which copies of the Bill will be supplied to Members	,,	51
Lapse of — Bills not introduced will lapse by prorogation	,,	1413
Motion for rejection of — should be made at the second or third reading stage	XXXIV	103
Budget motions—		
Though the President has no discretion to arrange motions otherwise than in the order in which the heads to which they relate appear in the budget, yet, he can arrange motions *re* the same head of demand in a manner best suited for the discussion of the demand	XXXV	127
Budget motions are taken up according to the order in which they appear in the Order paper	XXXV	857
President has no powers of disallowance of — and has to decide whether a motion is in order only in Council when it is moved ..	,,	483
Substantial motions of which notice is given may be amended and moved as token motions in Council	,,	498
Scope of—		
— may raise general principles of policy relating to a grant on the first item of the grant	,,	728
— must be relevant to the head of demand — on item relating to Ministers, the question of appointment of Council Secretaries to Executive Councillors cannot be raised	,,	560
— must not relate to the way in which the business of the House is carried on (e.g., the provision of a platform for speakers or for changing the hours of sitting) for, that should be regulated by amendment to the Standing Orders	,,	482
— must relate to a department of administration for which the Member of Government is responsible : motion *re* the granting of leave by the High Court is in order	,,	574
— should relate to a subject with which Members of Government are officially connected : (motion *re* the constitutional opposition to Government in the Council is not in order)	,,	473
Budget motion ripens into a question when it is put to the House and the question and the demand have to be put to the House when the time comes	,,	492

Members who have given notice of motions raising issue substantially the same as in earlier motion, should press their motions while the earlier motion is under discussion lest they should be precluded by S.O. 30 later on from speaking on their motion	,,	128
Token motions will be put before motions for substantial cuts ..	,,	146
Votes may be taken both on the token motion and on a substantial motion relating to the same head of demand ..	,,	129
Mover of budget motion has no right of reply	,,	151, 247
Clerical mistakes that may have crept into a resolution or amendment may be allowed to be corrected	XXXIII	233, 239
Closure—		
Discretion of applying closure vests in the President	,,	310
Closure motions—		
— should be moved by whips or leaders of parties	XXXV	671
Debate—		
A Member can speak even after the Government Member has replied, if he is speaking for the first time	XXXIII	285
A Member who is speaking need not resume his seat unless the President calls upon another Member who gets up, to make a speech	,,	75
Paper not supplied to Members should not be quoted from — ..	,,	162
But when a particular document is being referred to, a Member is justified in asking for information as to the identity of that document	,,	145
There is no necessity for a Government Member to answer all the questions that may arise in the minds of the Members, as he makes the speech	,,	297

Demand for supplementary grants—		
A token motion asking for a nominal amount for a scheme in order to obtain the approval of the House for the scheme, is in order.	XXXIII	71
In a —, two questions are concerned, i.e., the amount and the sanction for the scheme	,,	71
Motions on — must relate to the items actually comprised in — and no general debate on matters relating to the whole grant or raising questions of policy is allowed	XXXV	1032
Policy of Government not to be discussed under a —	XXXIV	78
Further demands for grants—		
— have to be disposed of on the day allotted and no dilatory motion under S.O. 34 can be made	XXXV	1066
The practice of bringing — though not covered by the rules is in consonance with the parliamentary practice but whether the guillotine should be applied as in the case of the demands for grants is a matter which has to be examined	,,	1070
Members of Government cannot avoid the responsibility of answering questions put in the vernacular by Members who are not fluent in English	XXXIII	244
Personal explanations *re* matters discussed on the previous day are, as a matter of practice, permitted by the President after he receives previous notice thereof	,,	199
